CAAPHP Business Updates

The February CAAPHP Business Meeting will occur during the last week of February. Please use the Doodle Poll below to select your availability for the meeting by **Monday, February 8th**.

Doodle Poll Link

Tuskegee University - Department Graduate Public Health invites you to complete a survey for our COVID AWARE Program Funded by the National Science Foundation (NSF).

Adults 18 years of age and older are welcome to complete this online (Qualtrics based) survey. We appreciate the difficulty of uncertain times and hope to capture aspects of this pandemic through our questionnaire. The information you provide will be confidential, and any data reported will be anonymous. The findings of this research we anticipate will help us have a better understanding of how African Americans adhere to, attend to and adapt to health education and communication during pandemics.

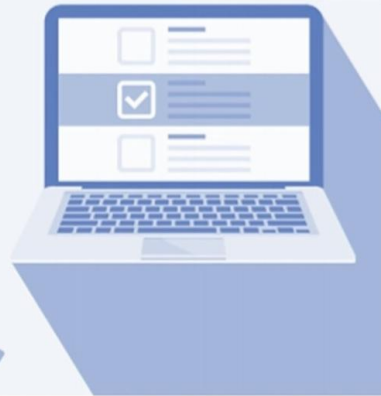

If you are willing to complete this survey, simply click the link below.

Survey Link

HOW HAS COVID-19 IMPACTED YOU?

TAKE OUR SURVEY

The Department of Graduate Public Health at Tuskegee University wants to know your feelings about COVID 19

TAKE THE SURVEY: ([url](#))

People ages 18+ can take the survey.

The survey takes about 15-20 minutes to finish. The findings of this research we anticipate will help us have a better understanding of how African Americans adhere to, attend to and adapt to health education and communication during pandemics. We won't ask your name or any identifying information. Your answers will be kept completely private.

National Events and Networking Opportunities

February is American Heart Month

Here are a few resources that provide more information about health disparities among African Americans:

- Heart Healthy Living
- CDC Health of African American non-Hispanic Population
- Find High Blood Pressure Tools and Resources

BLACK CAUCUS
OF HEALTH WORKERS

CALL FOR ABSTRACTS APHA 2021 Annual Meeting and Expo

The Black Caucus of Health Workers (BCHW) of the American Public Health Association (APHA) invites abstracts from public health administrators, educators, physicians, practitioners, researchers, students, community health workers, and, other individuals in related fields to 2021 Annual Meeting. BCHW encourage abstracts focusing on the process of translating the science of research to health solutions and implementation for better health, equitable health care/practices, as it relates to people of the African Diaspora. Individuals with local, national and international research experiences are encouraged to submit, as well as, new investigators and students.
